

SHAPE

More than a Height Adjust table

Updated October 23, 2020

SWIFTSPACE
www.swiftspaceinc.com

1. Worksurface

Worksurfaces can be ordered as a single straight surface or as duo surfaces in a L configuration. Standard depth is 24" or 30". Standard length is 48", 60" or 72". The worksurfaces are available in our standard Swiftspace materials, including a writable laminate surface at no additional charge. Worksurfaces can be ordered with a drafting option be folded down and used as a whiteboard

2. Mobile Storage

Complete line of mobile pedestals, storage towers, and lateral files available.

3. Visual Privacy

Visual and Physical Privacy Panels can be added to the sides and back of the station to increase privacy. The panels are available in various heights, widths, and materials

4. Surround Panels

Surround Privacy Panels in various heights and widths can be added. The melamine privacy panels are stored on the SHAPE when folded and when the station is set-up they attach by clipping on to the station leg. Privacy Panels can be attached to the legs on each worksurface side to create a L configuration.

5. Height Adjustment

Easily adjust from a sitting to a standing position. Range from 23.2" to 49.4" with the push of a button. There are four pre-set height adjustments available. Range from 21.9"-48.1" available with smaller castors.

6. Castors

2.5" in diameter with grey rubber wheels that swivel and lock.

7. Accessory Rail

For mounting monitors, shelves, paper slots and binder storage.

8. Power and Data

Comes standard with under surface mount powerbar. An optional trough contains a detachable power bar with six electrical outlets and a 15 ft power cord that can be plugged into any regular electrical outlet. Can add an additional 40 amps and on-surface power/data. The shape can also be equipped with the Trac4 circuit power system.
